

# CULLINAN & ASSOCIATES

Expertise grounded in experience

Cullinan & Associates Inc ("C&A Inc") is the oldest specialist environmental law firm in South Africa and has been rated by the Practical Law Company for as a leading environmental law firm in South Africa.

The directors of the firm are Cormac Cullinan, Gregory Daniels and Sarah Kvalsvig. Cormac is one of the leading Environmental Lawyers in Southern Africa and is regularly invited to lecture at universities around the world. The firm has a team of four specialist environmental lawyers all of whom have or are studying towards a Masters Degree in environmental law or related fields. In addition, the firm is supported by Ingrid Coetzee, a governance expert, who has over 25 years experience working in national and provincial government. We have offices in Cape Town and Durban.

**The firm specialises in matters relating to:**

■ Agriculture	■ Heritage
■ Climate change & renewable energy	■ Land use planning
■ Conservation and biodiversity	■ Marine living resources
■ Due diligence	■ Mining activities
■ Environmental impact assessment	■ Pollution control and waste management
■ Environmental justice	■ Remediation of contaminated land
■ Environmental management systems	■ Water

The firm believes strongly in 'walking the talk' and is the only South African law firm that is certified carbon neutral. For its pioneering efforts, the firm has won a Mail and Guardian Greening the Future Award.
