SCHEDULE 4**REPORT: HUNTING ON LAND MANAGED BY TRADITIONAL AUTHORITIES**

Completion of the report by the permit holder is obligatory in terms of permit conditions

NB - a separate report is required for each permit, even if the hunt was not successful.

Objective of the report

To improve the quality of hunting, both in terms of game availability and hunting experience of hunters, on land under management of Traditional Authorities. To reach the objective, the information supplied by the hunter aims to:

- Provide the provincial authority with data on game population health (demographics of age and sex structure, population growth potential and sustainability).
- Provide data on hunting conditions.
- Provide information on how to assist Traditional Authorities in improving their game management, hunting management and revenue generation.
- Provide Hunters Associations with reliable information to enable them to endorse the specific Traditional Authority as a trustworthy hunting destination for hunters to improve marketing of the destination.

Please complete the information below accurately, because the optimal management of the quality and availability of future hunting in this area will be to the advantage of both the hunter and the traditional authority.
