**Importance:** High

Dear Stakeholder

I refer you to the notification letter that was sent on 26 November 2013 on the request for variation of Kriel Power Station Atmospheric Emissions Licence. The letter stated that the comment period would end on 6 December 2013. We have received some comments from some stakeholders indicating that more time is required to comment on the variation request. Please be advised that the due date for comments has now been moved to 11 December 2013.
