**NOTIFICATION OF REVISED ATMOSPHERIC IMPACT REPORT AVAILABLE FOR PUBLIC REVIEW AND
COMMENT**

Dear Stakeholder

Thabametsi Power Company (Pty) Ltd proposes, and received Environmental Authorisation for the construction of the Thabametsi Power Station in the Lephalale Local Municipality, within Limpopo Province. With reference to this project, the applicant has submitted an on-line Atmospheric Emissions License (AEL) Application to the National Department of Environmental Affairs (DEA).

A revised Atmospheric Impact Report (AIR), detailing the potential emissions expected to be generated by the Thabametsi Power Station, and a copy of the AEL application (as submitted online) has been made available for review and comment from **21 August 2018 to 20 September 2018**. The documentation is available at the following locations:

- » Lephalale Local Municipality Public Library (Address: Cnr Joe Slovo Street and Douwater Avenue, Lephalale);
- » Marapong Community Library (Address: 1456 Setlhora Street, Marapong); and
- » www.savannahsa.com. (Please note that a password is required to download the AIR from our online portal. The password can be requested by emailing rozanne@savannahsa.com).

Please submit written comment on the AIR to the contact person below by **Friday 17 September 2018**.

Please do not hesitate to contact us should you require further information. We look forward to your participation in this process.

Kind regards,
