Dear Mr Khan

We confirm that Limpopo Economic Development Agency - LEDA is a 3D provincial business enterprise and in terms of the PFMA, we are audited by the Auditor General of SA.

We obtained an unqualified audit opinion for the past financial year ending 2013-14 and we remain confident to maintain it going forward.

As per our Service Level Agreement (SLA) with the DTI, we have further appointed independent auditors for the SEZ's and will ensure that the requirements as per the SLA are fully complied with.

Regards
