Report violations of environmental rights to the 24-hour Environmental Crimes & Incidents Hotline on **0800 205 005**. More reports of environmental violations assist in justifying more investment in more inspectors, and more enforcement of environmental laws. Numbers matter! Take the time to report violations, even if you have done so elsewhere. For more information about this CER campaign, visit <http://cer.org.za/news/numbers-matter-join-us-in-reporting-violations-of-environmental-rights>.

Dear Thuli

Please find attached, GroundWork's and Vaal Environmental Justice Alliance's objection against ArcelorMittal's Minimum Emission Standard postponement application. The objection was submitted on 11 March 2019.

Please advise if a decision has been reached, and if so, provide us with the copy of the decision and the outcome. Please also let us know to whom the decision has been communicated to.

We look forward to receiving your response.

Kind regards
